

And that is how the war in Lebanon started ...

As groups, you identified several different causes of the war that started in 1975 and then viewed the work of other groups. Write a short essay in which you describe three of the most important factors that, in your opinion, had the greatest impact on the eruption of the war in Lebanon.

Assessment criteria	Possible Points	Self-Assessment	Teacher's Assessment
Three causes were selected from the sources.			
The effect of each cause was clearly stated.			
The essay includes sound justifications for the analysis.			
The essay reflects a depth of understanding of the factors leading to the war.			
The text is organized and divided into paragraphs.			
Language is appropriate.
